Presolicitation

Synopsis:

Added: February 26, 2008

This contract is 100% set aside for Service-disabled veteran-owned small business. The contractor shall provide general management consulting and training support services for the USAREUR Support Contract. Duties shall include administrative support, training development, analytical and incidental technical, engineering and training support and document revision and updates for the USC-related quality control and training documents. Annual domestic and overseas travel shall be required on a limited basis. Contract duration is one year base, with two one-year options for a total performance period of three years.

Estimated cost range of project is between \$250,000 and \$500,000. The US Army Corps of Engineers, Transatlantic Programs Center, Winchester, Virginia will be the procuring office.

Potential offerors are encouraged to submit their company name, mailing address and telephone, fax number and e-mail address of an English speaking contact by 10 March 2008 to Jennifer Tilden, Jennifer.L.Tilden@usace.army.mil, fax 540-665-4041. You will be informed when and where you may obtain a copy of the solicitation documents.

Funds are not currently available for this requirement. This project will be issued Subject to the Availability of Funding.

Cancellation with no obligation Note to offerors: The Government reserves the right to cancel the solicitation, either before or after the proposal opening with no obligation to the offeror by the Government.
