

CRC Redeployment

Travel Arrangements – Personnel arrive at the TAC CRC after previously arranging a hotel and transportation through TAC's Carlson Wagonlit representative at (540) 665-3798, DSN prefix 265. As with deployment, personnel arrive at Dulles or Reagan airports, preferably Dulles. Arrive in Winchester, VA Sunday through Thursday night, Preferable on Sunday, Tuesday, or Thursday. The DiLorenzo Tri-Care Health Clinic – Pentagon operates on M-W-F in the mornings, while the adjoining Immunization Clinic begins at 1300.

Personnel should bring the following items to help their redeployment processing: copies of all orders for deployment to, in and around, and from theater, and copies of orders for promotions and awards received since deployment.

Day One

- Complete as many of the requirements as possible while in-theater. Completion of the Post-Deployment Health Questionnaire (DD 2796) and a face-to-face interview with a qualified military medical physician within 5 days prior to returning to the CRC is essential.

It is encouraged to get a PPD test (TB Tine) completed within 5 days prior to returning to the CRC as well. This will expedite your re-deployment process. The results are read at 72 hours. Other wise, a current PPD test is performed while at TAC and reviewed at Home Station.

Report to a military clinic within 30 days to provide a tube of blood for a post-deployment HIV test and storage. Samples cannot be mailed.

Complete a physical exam at home station within 30 days.

- The Second step is to turn in OCIE.

OCIE MUST BE CLEANED PRIOR TO TURN-IN. DIRTY EQUIPMENT WILL NOT BE ACCEPTED BY TAC SUPPLY. DIRTY EQUIPMENT MAY DELAY YOUR REDEPLOYMENT PROCESS. DO NOT MAIL YOUR OCIE BACK TO TAC. IF YOU DEPLOYED THROUGH THE TAC CRC, YOU MUST REDEPLOY THROUGH THE TAC CRC.

- The Third step is to conduct a brief meeting with the TAC Commander or his designee if his schedule permits. The individual is cleared to return to HS.

Day Two and Three – Complete above requirements.
